

Amendments to House Bill No. 2  
Committee Study Bill

Requested by Representative Penny Morgan

For the House Appropriations Committee

Prepared by Lois Steinbeck  
March 3, 2009 (6:00pm)

The House Appropriations Committee recommends that the Legislative Finance Committee monitor the following programs and outcomes during the 2011 biennium interim:

1. The number of persons under the age of 65 in Medicaid funded nursing home services and the number of persons transitioned from nursing care services to Medicaid community waiver services administered by the Senior and Long-Term Care Division;
2. The outcomes of the Medicaid disease management contract administered by the Health Resources Division;
3. The outcomes as measured by recovery markers implemented in the data reporting systems by the Addictive and Mental Disorders Division; and
4. The number of children receiving well child screens as part of the Medicaid services administered by the Health Resources Division.
